

Message from the Principal's Desk

Since its inception in 1978, this institution has been thriving to become one of the premier institutions of Assam. With its goal in mind the whole fraternity of the college needs to work together in order to achieve it. Taking the position of the Principal in the year 2010, I am determined to overcome all the obstacles that are on the way of this institution. The main goal of this institution is student welfare. The institution tries to leave no stone unturned to achieve this goal.

Radha Govinda Baruah College is one of the institution for higher education in Fatasil Ambari, Guwahati which strives for both academic and all round development of students. The entire employees of the college have played an important role not only for the academic development of the students but also for an all round development of the students.

It's worth mentioning that we have organized some UGC sponsored Seminars in our. We are also successful in expanding the College Library with the addition of new books. We have installed SOUL 2.0 software in our library. We also introduced software in our office .

This year has brought a major change to the college with the modification and beautification of the college premises. The campus has been fully walled and also a new Conference Hall has been constructed. The Computer Lab, canteen, Boys' Common Room and the Seminar hall have been completed modernized for the better convenience of the students. The college has also been to get a study centre of K.K. Handique State Open University, Assam.

The various cells of the College have been actively working to reach their desired goals. One of the major targets is to intensify the fervor to assess the institution for accreditation by the NAAC.

Dr.(Mrs.) Babita Choudhury

Principal
